

High capacity battery pack 10.8V/102Ah for area velocity sensor VLI

Battery pack 10.8V/102Ah - Part number : A0I00007

- Quick and easy installation, easy-open, double-step latches
- Resistant to shocks, Polypropylene shell, sealing IP67
- Polypropylene shell
- Automatic air pressure equalizing valve
- O-ring seal
- External dimension : 20.6 x 16.7 x 9 CM (L x l x H)
- Weight : 2,25 Kg

Battery pack in PELICASE PC1120 with protection foam
